**Project Title:**

**Problem Statement** (What/Why?):

**Project Data:** List the datasets you intend to use. Make sure to look at them to confirm you can actually download them.

<b>Dataset name</b>	<b>Data Type: Vector, raster, or tabular</b>	<b>Key Attributes: What features/phenomena does this dataset represent?</b>	<b>Source</b>

**Project Analysis** (a rough outline of your analysis steps in bullet point or flowchart is fine):
